

Sprinkler Magician

Dual Reservoir Machine

- This is the latest evolution in whole property maintenance.
- Extremely effective on Mosquitoes, Fleas, Ticks, Fire Ants, and many other biting insects using completely safe Mosquito Magician concentrate.
- Connects to new or existing Sprinkler systems to deliver the concentrate.
- Uses Patented technology to automatically treat the whole property.
- Also automatically applies other concentrates from the second reservoir.

Specifications

Part Number	SMDRMV6
Voltage	120 VAC (220 – 240V by special order)
Dimensions of Shipping Box	H 25" x W 23" x D 16"
Dimensions of Machine	H 21" x W 19" x D 11.5"
Waterproof Rating	Nema 4 / IP56
Acceptable Concentrate to use	Proprietary Mosquito Magician Concentrate Wide variety of secondary concentrates available
Number of Irrigation Zones	1 –12
Pump rated maximum Working PSI	120 PSI
Settings	6 Preset Modes or unlimited manual modes for different sizes properties Treats 1 – 7 times a week & On Demand
Reservoir Capacity	1 x 5 Gallon and 1 x 2.5 Gallon
Color	Brushed Stainless Steel
Length of AC Cord	5 Feet
Power Supply	120 Watt – UL Listed
Weight of Machine	39 Pounds
Weight as shipped	46 Pounds
Warranty	12 Months
Cabinet Material	18 Gauge 304 Grade Stainless Steel
Country of Manufacture	USA
Design Life	10+ Years
Included Parts	Machine, 2x 20' Injection Tubing, 20' Sprinkler Cable, Injection check valve Assembly, Full Installation Manual, Spare Fuse
