

## Patio Kits

### MLK-POT Micro Spray Pot Stake Kit

This Pot Stake Kit waters up to 8 potted plants. Due to limited water flow through 1/4-in vinyl tubing, no more than 1 kit (8 Pot Stakes) can be installed on a faucet. Expandable by up to 65 stakes when using 1/2-in poly tubing as the main line. Pot Stakes are adjustable from 0-8 GPH, they have a 165° half-circle, down-spray pattern with a 2-ft radius. Pot Stakes also have depth and direction arrows built in to their design for easy placement. This Kit includes 30-ft of 1/4-in Vinyl Tubing, 8 Pot Stakes with On/Off valves, Backflow Prevention Valve, 1/4-in Faucet Fitting, 7 - 1/4-in Tees, All-In-One Tool & 1 bonus Pot Stake Extender. **We Recommend using one of our Faucet Filters (MLFF-41 or MLFF-150) if using hard or well water, and our 25 PSI Pressure Regulator (MLA-25PR) for drip systems.**

### MLK-PWK Patio & Potted Plant Drip Watering Kit

This Patio Kit waters up to 8 potted plants. Due to limited water flow through 1/4-in vinyl tubing, no more than 1 kit (8 Dripper Stakes) can be installed on a faucet. Also, due to the limited water flow through 1/4-in vinyl tubing, no more than 3 Dripper Stakes in a daisy chained group will deliver full 10 GPH output. Adjustable Drinker Stakes are adjustable from 0-10 GPH, they will start as a slow drip and up to a 360° full-circle with a 2.5-ft diameter spray pattern. This Kit includes 30-ft of 1/4-in Vinyl Tubing, 8 Adjustable Drinker Stakes with couplers, Backflow Prevention Valve, 1/4-in Faucet Adapter, 8 - 1/4-in Tees & 10 Nail Clamps. **We Recommend using one of our Faucet Filters (MLFF-41 or MLFF-150) if using hard or well water, and our 25 PSI Pressure Regulator (MLA-25PR) for drip systems.**
