

Fertilize Responsibly™

EZ 25-15-10 Water Soluble Fertilizer

This formula promotes vigorous growth for the entire landscape during the growing season while stimulating vibrant colors and blooms.

All of our premium fertilizers are 100% water soluble and have been formulated to provide your landscape investment with the best possible nutrients. When applied through one of our patented proportioning systems, this process allows the plant material to gain the optimum results through better absorption and utilization of essential macro and micro nutrients provided in all of our EZ Premium Fertilizers.

Our 25-15-10 formulation has been developed to provide your landscape with all of the essential nutrients necessary to promote vigorous growth. It will produce excellent color and provide rapid root development to support all plant materials. The high level of ammoniacal nitrogen in this formula will provide a long lasting source of nitrogen that is leach resistant. This allows the plant material to utilize the nitrogen as needed. Every plant in a landscape uses nitrogen in it's own way and this formulation accommodates all situations.

Available Sizes:

5 lbs. (2.2 kg) and **25 lbs.** (4.5 kg) bags

Fertilizer Type:

100% water soluble powder for root and foliar feeding

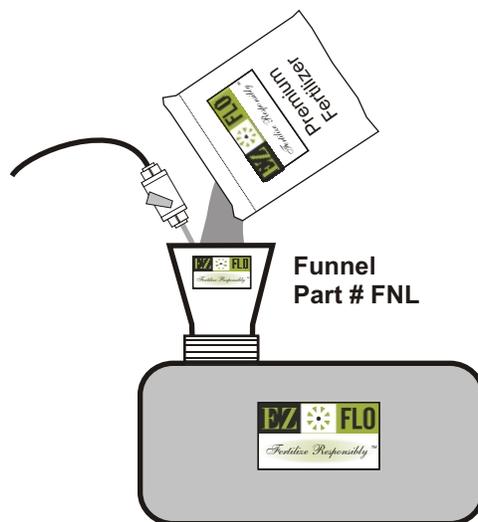

Suggested Landscape Coverage under normal watering conditions*:

100% turf	26 oz. (768 ml) per 1,000 sq ft (92 sq m)
75% turf/25% trees/shrubs/flowers	22 oz. (650 ml) per 1,000 sq ft (92 sq m)
50% turf/50% trees/shrubs/flowers	16 oz. (473 ml) per 1,000 sq ft (92 sq m)

*Assumes a refill frequency of 4-6 weeks and watering every other day. Turf requires more water and therefore increases refill frequency. Refill frequency based on desired results.

GUARANTEED ANALYSIS

Total Nitrogen (N)	25%
5.99% Ammoniacal Nitrogen	
2.85% Nitrate Nitrogen	
16.16% Urea Nitrogen	
Available Phosphate (P ₂ O ₅)	15%
Soluble Potash (K ₂ O)	10%
Sulfur (S)	3.6%
3.6% Combined Sulfur (S)	
Copper (Cu)	0.05%
0.05% Chelated Copper (Cu)	
Iron (Fe)	0.20%
0.20% Chelated Iron (Fe)	
Manganese (Mn)	0.05%
0.05% Chelated Manganese (Mn)	
Molybdenum (Mo)	0.0009%
Zinc (Zn)	0.05%
0.05% Chelated Zinc (Zn)	

Derived from Ammonium Phosphate, Ammonium Sulphate, Potassium Nitrate, Urea, Sodium Molybdate, and Copper EDTA, Iron EDTA, Manganese EDTA and Zinc EDTA.
